2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Once again, TCWS is asking for another enormous rate hike. They should be made to take a lower rate for under performance until their service and water quality improve. Their water rates are already among the highest in the state. They have a poor record of polluting Lake Wylie. They need new management, not new money.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Will not be able to attend.
